

Nicaragua – TTC Trip Extension Itinerary

4 Day Extension to Ometepe Island (June 29-July 3, 2017)

This 4-day extension trip to Nicaragua is part of our unique, year-long [Transformative Travel Connections program](#) (TTC) intended for Seattle-area youth to foster intercultural relationships, and get to know the local Nicaraguan culture. Participants of on the [TTC 10-day trip](#) will stay with Nicaraguan youth and their families for 3 nights, building powerful bonds through shared experiences including work on a community service project.

Beautiful Ometepe Island is one of Nicaragua's must-see destinations. Located in the middle of Lake Nicaragua, its twin volcanic islands are a remote escape located in the heart of the country. There are only a few small settlements on the island, along with a number of small coffee plantations. The island's fertile volcanic soil, clean waters, wide beaches, wildlife population, archaeological sites allure visitors.
